Upper Level

5 THINGS YOU NEED TO KNOW ABOUT SUNDAY MORNINGS

1. Parking, Entrances, and Exits

We are so excited to have additional parking as a result of opening our new worship center. Please take a moment to look at the parking map in this booklet, to review parking lot sections, entrances and exits.

2. Where do my kids/students go?

There are 3 main entrances where you can check-in your children: the current preschool entrance, the existing main entrance (which will be transformed into a children's check-in area), and the new check-in area, which will be located in the concourse of our new worship center. Middle school students will meet upstairs in the gym. High School students will meet across the street in The Chapel.

3. Goodtree Cafe

Make sure you stop by the Goodtree Cafe where you can purchase coffee, lattes, tea, and some of our new **Church at The Mill** branded products. All of the proceeds will go to missions. Make sure you get there in time to get your coffee before the service starts.

4. Adult Small Groups

Adult Small Groups are located upstairs and downstairs on the West and East Wing hallways.

5. Next Steps

If you want to get connected (Small Groups, Church Membership, Volunteer, Baptism) or to learn more about our core values of Gathering, Growing, Giving, and Going, stop by one of the Next Steps areas located on each side of the concourse.
