

Conflict and Complaint

Jeremiah 11:18-12:6

01

The Conflict

- A Plot against the Prophet v.18-20
- A Promise to Punish v.21-23
- A Problem with Prosperity v.1-4
- A Perspective worth Pondering v.1-4

04

Tension between you and The Lord? Bring it to Him.

02

Two truths

- True prophetic preaching will never be popular to a sinful world
- The only guarantee from God about this world is that we will encounter persecution

03

Ponder this...

1. Immediate judgment is not always seen.
2. Eternal judgment is always guaranteed.
3. The focus of a follower should be on the finished work of Christ and His mission.
4. It is supposed to be hard.
5. Bring your struggles to God and let Him handle vengeance.
