BUILD CAREFULLY

1 Corinthians 3:10-15

01 In a world of groups, organizations, movements, and agendas, it has never been more important for the church to truly be the church.

02 In a world of failed leadership, leadership in the church should look different.

03 In a world full of shortcuts, overnight success, get rich quick schemes, life hacks, and have it now attitudes, the church should pay attention to how it builds itself.

04 To build the church carefully there are some truths to which we must pay attention.

05 **Pay Attention to:**
1. Where We Build v.11

The Foundation of Christ

- The coming of the Son of God in the flesh
- The suffering, death, resurrection, and ascension of Jesus
- The reality of forgiveness and restoration for everyone who accepts Christ in true faith
- The gift of The Holy Spirit who reveals, convicts, sanctifies, and guides
- The revelation of all this in the holy, inerrant, and authoritative Scriptures

06 **Pay Attention to:**
1. Where We Build v.11
2. What We Build With v.12-13

"If the church is being built with large portions of charm, personality, easy oratory, positive thinking, managerial skills, powerful and emotional experiences, and people smarts, but without the repeated, passionate, Spirit-anointed proclamation of "Jesus Christ and him crucified," we may be winning more adherents than converts."

-D.A. Carson

2. What We Build With v.12-13
3. Why We Build v.14-15

08 Where are we building?
What are we using?
Why are we doing it?
What brick are you laying?
