SERVE LOCALLY

From Jerusalem back to Samaria, your mission can continue here at home. Your mission trip is short-term and only a portion of your year. God can continue to utilize your gifts once you are home by connecting and serving with our local ministries. If you went to Alaska, serve with local children through Good News Club. If you went to South Asia, serve refugees with World Relief. These are just examples of the many options for you to continue to be the hands and feet of Jesus and serve the nations right here in your community using your gifts, talents and heart for the lost. To receive more information about any of the partners below, contact Ashlee Mahoney at ashlee@churchatthemill.com and you will be connected with the relationship coordinator for that ministry.
