God's people are designed to worship Him. When sin entered the world through Adam and Eve in the garden, however, the ability to meet face to face with God was broken. But God chose to make a way and it all began with the tabernacle. This Bible reading plan will walk us through the fascinating details of the tabernacle in Exodus. We will also read through Hebrews and Colossians to help us see how the tabernacle points to Jesus and how His redemptive work created a way for His people to meet with Him, worship Him, and live transformed.
